- * Obtained by Steve doing a fresh total for all Board meetings. Funding numbers include all grants, long-term loans, short-term loans and increases.
- ** Obtained by totaling up new jobs created (excludes retained jobs) as reported in the DCED's ranking write-ups, and reflected in the Board book (280) **and adding** that to the total from the previous update (72,767)= 73,047.
- *** Obtained by using total "funding approval" \$7,344,495,251 * 35 jobs/\$million = 256,900. In doing this calculation, the total approved amount was rounded to \$7.34 billion.
