

## SPRING 2019 PENNVEST INFORMATION SESSIONS

*For municipal officials, conservation districts, private landowners, authority board members and staff, regulators, engineers, and others interesting in learning about how PENNVEST funding can help improve water quality in your community.*

Come join PENNVEST to learn about:

- PENNVEST overview (funding levels, sources of funding, timelines/meeting cut off dates)
- Discussion of project development:
  - Architecture and engineering requirements
  - Project Eligibility
  - Lead line replacement program
  - On-lot, lateral replacement program
- New funds disbursement system
- Discussion of modernizing the application process (input on the current process)
- What's working & what needs improvement (settlement, disbursement, closeout)
- Open forum Q&A
- Adjourn
